14 Petitioner is a Washington State prisoner who seeks to file a petition for a writ of habeas
15 corpus. On March 17, 2009, petitioner filed an application for leave to proceed *in forma*
16 *pauperis* (“IFP application”). (Dkt. No. 1). However, this application is deficient because the
17 financial statement that petitioner attaches to the application contains information that is more
18 than two months old. The application form clearly asks for a prison trust account statement
19 that shows transactions “for the past six months.” (Dkt. No. 1 at 2). **Accordingly, within 30**
20 **days from the date of this Order**, petitioner shall provide a more current trust account
21 statement. Failure to comply with this Order will subject petitioner’s IFP application to denial
22 and this case to dismissal without prejudice. The Clerk shall send a copy of this Order to

01 petitioner and to the Honorable Ricardo S. Martinez.

02 DATED this 24th day of March, 2009.
